

## End User License Agreement (“EULA”) for Party and Friends Extended Edition

1. Under this Software License Agreement (the "Agreement"), Simon Brungs "Simonsator" (the "Vendor") grants to the user (the "Licensee") a non-exclusive and non-transferable license (the "License") to use Party and Friends Extended Edition (the "Software").
2. "Software" includes the executable computer programs and any related printed, electronic, and online documentation and any other files that may accompany the product.
3. Title, copyright, intellectual property rights and distribution rights of the Software remain exclusively with the Vendor. Intellectual property rights include the look and feel of the Software. This Agreement constitutes a license for use only and is not in any way a transfer of ownership rights to the Software.
4. By purchasing, downloading, or running this software, you agree to be bound by this license agreement. If you do not agree with any of these terms, you are not allowed to use this software and must uninstall, delete all its files and stop using the software immediately.
5. Failure to comply with any of the terms under the License section will be considered a material breach of this Agreement.

### Usage

This agreement allows you to:

- Download current and future versions of the software (previous versions may be also provided if possible).
- Use the software on one Minecraft Network you are a part of. You may install this software on as many BungeeCord, Spigot, Velocity servers or any of their derivatives/emulators as you want to, if they are part of the same Minecraft network.
- Create and share config files, translations, screenshots, and videos.

You must not:

- You are not allowed to redistribute this software in any form (neither as binary, nor as source code) with anyone who is not part of your Minecraft network. The person you share it with must also agree to this EULA.

Your rights to use the software may be revoked under the terms described in the “Termination” paragraph.

### Limitation of Liability

1. The Software is provided by the Vendor and accepted by the Licensee "as is". Liability of the Vendor will be limited to a maximum of the original purchase price of the Software. The Vendor will not be liable for any general, special, incidental, or consequential damages including, but not limited to, loss of production, loss of profits, loss of revenue, loss of data, or any other business or economic disadvantage suffered by the Licensee arising out of the use or failure to use the Software.
2. The Vendor does not warrant that use of the Software will be uninterrupted or error-free. The Licensee accepts that software in general is prone to bugs and flaws within an acceptable level as determined in the industry.
3. Where the Vendor feels any of the Software is non-conforming to its specifications, the Vendor may choose to remedy this issue by any of the following: to repair or replace any or all of the Software; or provide a refund to the Licensee.

4. Any refund provided under this section may be reduced where the Licensee has gained significant use and value from the Software. The reduction will be prorated over the anticipated life of the Software.

## Refunds

No refunds are granted for any reason unless those are specified under the section “Limitation of Liability” of this EULA.

## Contact

You may contact me by sending an E-Mail to [support@simonsator.de](mailto:support@simonsator.de) or by sending a discord message to Simonsator#5834.

## Termination

Your access and allowance of usage of this software may be revoked if you:

- Violate any part of this agreement
- Open a chargeback
- Your access to this software is removed by the staff of spigotmc.org for any reason

If you want to terminate this contract delete all binaries and source code of this software, you received and send a message to the spigotmc.org staff so that they remove your access to download this plugin from your account.

## Disclaimer

This EULA may be updated any time without any prior notice. You are bound to the version of this EULA which was the most current one when you last downloaded this software.
